

# **Event Name- Electrical Circuit Design**

**DEPARTMENT—EEE**

FACULTY IN CHARGE- Lohit Kumar Sahoo

Event Coordinator (4<sup>th</sup> Year): - Soubhagini Swain (Mob: 7008915318)

Niraj Kumar Singh

3<sup>rd</sup> Year: Anupama Panigrahi (Mob: 96589082378)

## **About Event:-**

The objective of the event is to promote innovative and creative ideas for design of the electrical circuit using software like portious and matlab. The main objective of the event is to test their technical skills and knowledge about electrical circuit.

## **Action Plan:-**

Round 1-Quiz: - It comprises some multiple choice questions.

Round 2-Error finding: - In this round the qualifier of the first round will be given some problem based on circuits to find the error.

Round 3-Hardware Implementation: - This is the final round in which the qualifier has to design the circuit.

Prizes: 1<sup>st</sup>- Rs.2000  
2<sup>nd</sup> –Rs.1000
